Hi there Roland,

The Toronto & Hamilton Conference theme and worship team for the DUCC gathering have come up with the following suggested schedule for the segments we are responsible for:

Tuesday: Start with worship following lunch Then two hours of theme in the evening.

Wednesday a.m. Worship just before lunch, lunch with a 'special' twist (we will explain later) then two hours of theme time after lunch.

Thursday a.m. Worship then 2 ½ hours of theme Worship in the evening

Friday a.m. 1 ½ hours of theme and closing worship Please let us know if this works out with the business portions of the gathering!

We are meeting again on February 7th and it would help to know if we need to adjust any of these suggested times.

Peace, Kathy Toivanen.
