DIACONAL
MINISTRY:
THE LENS OF
HOPE

April 30 to May 3, 2013

OUR theme for DUCC National Gathering 2013 is *Diaconal Ministry: The Lens of Hope*. We will be exploring the meaning of HOPE . . . HOPE . . . not as noun but as a verb . . . not as a longing for something to happen . . . but as an intention to live in a way that heals and satisfies the longing for wholeness for ourselves and all of creation.

Part of our time together will involve doing the business of the *Diakonia of The United Church of Canada*. Part of our time will be spent reconnecting with old friends and building new friendships.

Our theme time will include storytelling and the arts, an ecological educational piece on HOPE and an afternoon of creative activities including fabric art, music, photography, and creative writing. A Ceilidh-style evening of entertainment will round out the event.
