Report to DUCC Coordinating Committee c/o Roland Legge

The Administrative Group of Eric Tusz-King, Marilyn Anderson-Corkum and Nancy Post has met seven or eight times since January 2004. Since it is the intention of Eric and Marilyn to retire from the Administrative Group in March 2005, the DUCC Coordinating Committee will appoint two new members to the Administrative Group of the BETFIM.

In 2004 our work focused on transferring pertinent knowledge and records to Nancy so that applications may continue to be received and reviewed and grants awarded according to established process and criteria.

In January 2005 the General Council Office agreed to mail a letter prepared by the Administrative Group to BETFIM supporters. In addition to thanking our supporters, we encouraged further donations and set out the process for application.

In February 2005 we reviewed two applications. We made one grant to Northwest Winnipeg Pastoral Charge and a second grant pending receipt of further information.

The December 31, 2004 balance was \$78,934.61 including \$4610.00 from pooled income (interest earned). Donations were \$2125.00. We received a grant for \$1035.00.

Respectfully submitted

The Administrative Group
