Dear Mr. Lodge:

I have had a letter from Stan Washburn of Eorday suggesting your name as a possible Church secretary - Christian Education Work for our Church.

You will recall that several years ago I wrote you regarding such a position when I was pastor at West End, Halifax. At that time you felt you did not wish to leave St. John's or your particular work in the United Church. Stan seems to have some idea that you might be more favorable to the idea now. I hope he is right. Anyway, I write this letter of enquiry and I shall be pleased to hear from you, as to whether or not you are interested.

Yours in His Service,  
Abner Langley
